VOTED #1 CHARITY FOR SUPPORTING OUR MILITARY, VETERANS, & THEIR FAMILIES*

Fisher House Foundation remains committed to its mission to grow the network of houses that serve as a “home away from home” for our military, veterans, and their families. Even though the challenges of COVID-19 continued in 2021, thanks to your support, Fisher House Foundation opened a new house in Kansas City, Missouri and began planning three new houses in Columbia, South Carolina; Lexington, Kentucky; and a second house to meet growing demand in Bay Pines, Florida. On any given night, 1,300 families can stay in a Fisher House. The Department of Veterans Affairs continued to identify more locations that need Fisher Houses, so planning has not slowed down.

Our spirits were lifted in 2021 as houses were able to receive more and more guests in both our military and VA communities. Fisher Houses across the country worked with the hospitals and medical centers they support to safely help veteran and military families during the most difficult times.

In 2022, Fisher House Foundation will continue to expand into VA communities with a focus on serving the growing population of Iraq and Afghanistan service members that are transitioning to civilian life. Thanks to you, we will be able to be there for years to come for our nation’s greatest treasure: our military service members and their families.

Support of the 2022 Fisher House Golf Classic allows military families like Air Force Maj. Ian Gaspar and his family to stay together in one of the 92 Fisher Houses around the country and overseas at no cost. In late 2019, Ian’s wife Kimberly was diagnosed with a rare brain tumor. The family of five moved from their duty station at Kadena Air Base, Japan and stayed together at the Bethesda Fisher House during the first part of the COVID-19 pandemic until Kimberly was well enough to be released in July 2020. Despite the uncertainty of the times, the family felt comfortable and safe.

FISHER HOUSE FOUNDATION

HELPING MILITARY & VETERAN FAMILIES

Fisher House Foundation is best known for its network of 92 comfort homes where military and veteran families can stay at no cost while a loved one is receiving treatment. Located at major military and VA medical centers nationwide and around the world, Fisher Houses have up to 21 suites with private bedrooms and baths, and offer a common kitchen area, warm dining room, laundry facilities, and inviting living room for guest families to share.

Fisher House Foundation also operates the **Hero Miles** program, which uses donated frequent flyer miles to bring family members to the bedsides

of injured service members. To date, over 79,000 airline tickets have been provided through Hero Miles, saving service members and their families an estimated \$112 million.

The extensive use of medical centers by veterans and service members is why Fisher Houses are essential. Fisher Houses relieve the burden of costly hotel stays on families and allow them to focus on what is really important: being there for loved ones when they need it most.
